Re: [REDACTED]

Dear Mr. Ernst:

The person in question has not been convicted, nor has he served time. There was substantiated evidence of child molestation by the individual while serving as a peace officer. The matter was handled within the department and Rivers was requested to resign.

This incident was kept out of the courts and the press. Hopefully, this will provide the additional information needed. I realize the problem did not involve a court record but such is the case.

Sincerely,

Jim Howell
District Executive
Flint River Council
